vs

Case No. 1:19-cr-00395

Ramon Ramirez

- Defendant

Motion Seeking A 30-Day Extension

Now comes the Defendant, Ramon Ramirez, pro se and in forma pauperis, with a motion before the Court seeking a 30-day extension to respond to the government's "Memorandum Of Law In Opposition..." (see Doc n. 178; 1/6/25) received by prison mail on January 14, 2025. The reason for the extension is as follows:

- The facility where I am housed is short-staffed and that leads to frequent closure of the library, law library, and typing room; and
- English is not my primary language and it takes me a lot of time to assimilate what I read.

Given what has been stated, the Defendant asks the Honorable Court to GRANT the 30-day extension.
